## SUMMARY

---

Computer Science Student and Third-party Intern.

## EDUCATION

---

2021 - present Bachelor's Degree Computer Science and Technology at **Tecnológico de Monterrey**  
Graduating in June 2025 (GPA: 94.9/100)

## WORK EXPERIENCE

---

**Sales Operations Internship at Dell Technologies** Feb 2023 - present

Responsible for providing operational support in the efficient utilization of commercial tools for monitoring customer interactions. Proficiently communicated with customers to address inquiries and concerns, ensuring a high level of satisfaction. Collaborated closely with project managers and various teams across the company to streamline processes and enhance overall efficiency. Adeptly managed internal sales procedures crucial to maintaining delivery quality. Additionally, demonstrated proficiency in analyzing diverse datasets using Excel and Power BI to inform strategic decision-making.

**Counsellor at London International Youth Science Forum** Summer 2023

Selected to represent Mexico as Staff Member during the forum, where I directly supported students from around the world to ensure they had a positive experience during the event.

## MAJOR SCHOOL PROJECTS

---

**Mobile App for TecSalud** Fall 2023

Mobile application for iOS to monitor patient health indicators.

**Web App for Abuelitos ABP** Spring 2023

Development of a website for a non-profit organization aimed at facilitating tracking for older adults, serving as both a Front-End Developer and Database Designer.
